MAKE AN IMPRESSION WITH DIGITAL

Faster than you can walk a handmade note to a display screen, you could put that message on all your screens. Worldwide.

With a centralized management platform that can change displays in minutes. From anywhere!

SELF-MANAGED

CLOUD BASED MESSAGING

DIGITAL MARKETING

infiniT MEDIA SERVER

PINPOINT™ MESSAGING DOWN TO THE DISPLAY

TOP LCD HARDWARE

COMMON AREA MESSAGING CUSTOMIZED.

Designed to ensure your custom digital message is always presented and up-to-date. Centralized, cloud-based management platform allows for quick or scheduled messaging changes. Our PinPoint™ technology provides you the ability to change displays in minutes, from your desk, to individual signs based on your needs.
